

Howell's Farm

As of February 1, 2009, Tammy Howell with the help of her family and **CBDC NORTIP's** Agrifood Development Program she established Howell's Farm. Her father-in-law, Rendall Howell, a hobby farmer all his life and is now looking to utilize these skills to assist with establishing a farm on a commercial scale. With 57 acres of land just 5 minutes from the base of Gros Morne Mountain and 1.5km from The Gros Morne Visitor Centre the possibilities are endless!

This year Howell Farms, still in the early development stage will be harvesting solely potato crops. Next year Howell Farms will be adding a variety of crops, as well as opening the farm to the public. The farm will be an ideal location to bring your family for a day and enjoy the outdoors, pet and ride horses, feed ducks, sheep, rabbits and goats, venture through the hay maze, take a tractor ride and visit the farmer's market. During Autumn patrons can pick and paint a pumpkin and enjoy a decorated Halloween maze.

Howell Farms is a true working farm with our potatoes being harvested starting October 10, 2009. If you would like to make a purchase, please call Tammy Howell 1-709-638-9564 or email howellsfarm@hotmail.com
